Ludwig-Maximilians-Universität München

Bachelorseminar “Web Technologies”
Wintersemester 2017/18

Abstract. The abstract should summarize the contents of the paper using at least 70 and at most 150 words. It will be set in 9-point font size and be inset 1.0 cm from the right and left margins. There will be two blank lines before and after the Abstract. ...

Keywords: Keyword1, Keyword2, ...

1 Introduction

A good entry point for getting started with Latex is LaTeX Guide¹ on Wikibook. For starters, you can create citations like this [1].
